"A 5-star experience"

Dear Parents/Guardians and Students,

Welcome to the 2020-2021 School Year! I am looking forward to an exciting and productive year in which academic and social growth will be promoted. The success of your child's learning depends upon the teacher-student-parent cooperation and communication. As a student you are expected to behave and participate in such a manner being accountable for your own educational experience. The following policies and procedures are essential to have a successful, productive school year in your mathematics course along with following Booker Middle School's Mission Statement and Vision: High Expectations for All and Inspiring Tomorrow's Leaders!

## ATTENDANCE

School begins promptly at 7:30 a.m. – 2:15 p.m.

All students are to arrive on time and be prepared for class, even if you are learning online remotely.

## EXPECTATIONS/DISCIPLINE PLAN

I believe that all students deserve a safe, productive, and positive learning environment in which all students behave appropriately in the classroom.

Student behavior is **NOT** to interfere with the teaching and/or learning environment.

Stride with **P.R.I.D.E** (Personal Responsibility Involves Daily Effort).

Guidelines for Success:

- 1.) Be **responsible**
- 2.) Always **try** to do **your best**
- 3.) Be **honest**
- 4.) Make an **effort** to be **successful**
- 5.) Be **respectful**, kind, and honest to everyone. When someone is talking, you are quiet and showing respect. Please make sure to display a pleasant attitude and treat others the way you want to be treated.

## BE Positive, Prepared, Polite, and Punctual.

### Classroom Expectations:

- Be Punctual
- Be Prepared
- Be Respectful
- Be Actively Engaged

## HOMEWORK

Homework is assigned to develop and reinforce the curriculum. All homework assignments are to be recorded in the student planner. Students are expected to have the completed homework with them in class by the required due date. LATE Homework will be NOT be accepted, unless due to an EXCUSED absence or excruciating circumstance that parents express.

It is the **responsibility** of the **student** to make up all work missed for each absence and turned in, no later than 2 days per absence. You will be able to utilize the following resources: folders containing materials/lessons in the crate organized by date, homework board, Blackboard, TEAMS, OneNote, REMIND app (code: gembms21), class website [ynwabms.com](http://ynwabms.com) and/or a classmate to determine the work you missed.

It is most beneficial to your child that we work together and keep in close contact throughout the school year with regards to your child's progress. It would be greatly appreciated if parents/guardians would discuss the policy and procedures with your child and reinforce them regularly. You are encouraged to keep close communication with the teachers, as this is a key to your child's educational success.
