

Research for your University – Find the following information and record it on a word document or PowerPoint & print it out!

- 1.) Title of the University.
- 2.) Location of your University (include a picture of a map of the location).
- 3.) Year it was established and include how many years it has been opened?
- 4.) How many students?
- 5.) Cost of Tuition (In state and out of state)
- 6.) Cost of dorms (on campus living)
- 7.) Is it academically ranked nationally, if so, what ranking is it?
- 8.) What is the acceptance rate?
- 9.) What is the average required SAT and GPA?
- 10.) What is the transfer rate?
- 11.) What is the graduation rate?
- 12.) How many times has the Basketball Team been in March Madness Tournament, Final Four, and/or winning the championship?
- 13.) Is there anyone famous who attended this University? If so, who?
- 14.) How large is it in area (how many acres)?
- 15.) What is this University known for academically (medical/law/education/business/architecture/etc.)
- 16.) What sport(s) is the University most known for?
- 17.) Add pictures of the University Campus, Mascot, and Logo?

*You will present this for an employability grade - after the EOC – but this is due in your folder by Tuesday, April 9th!
