*Dear Parents/Guardians and Students,*

Welcome to the 2024-2025 School Year! I am looking forward to an exciting and productive year in which academic and social growth will be promoted. The success of your child's learning depends upon the teacher-student-parent cooperation and communication. As a student you are expected to behave and participate in such a manner being accountable for your own educational experience. The following policies and procedures are essential to have a successful, productive school year in the geometry mathematics course.

### ATTENDANCE

School begins promptly at 7:45 a.m. – 2:15 p.m. \*Teacher Office Hours/Clubs are from \*7:15am-7:40am  
All students are to arrive on time and be prepared for class.

**OFFICE HOURS** Monday, Wednesday, Friday 7:15-7:40, Ms. Stephanides Room 5-201 \*After school as needed

### EXPECTATIONS/DISCIPLINE PLAN

I believe that all students deserve a safe, productive, and positive learning environment in which all students behave appropriately in the classroom. Student behavior is **NOT** to interfere with the teaching and/or learning environment.

Guidelines for Success:

- 1.) Be **responsible**
- 2.) Always **try** to do **your best**
- 3.) Be **honest**
- 4.) Make an **effort** to be **successful**
- 5.) Be **respectful**, kind, and honest to everyone.

When someone is talking, you are quiet and showing respect.

Please make sure to display a pleasant attitude and treat others the way you want to be treated.

**BE Positive, Prepared, Polite, and Punctual.**

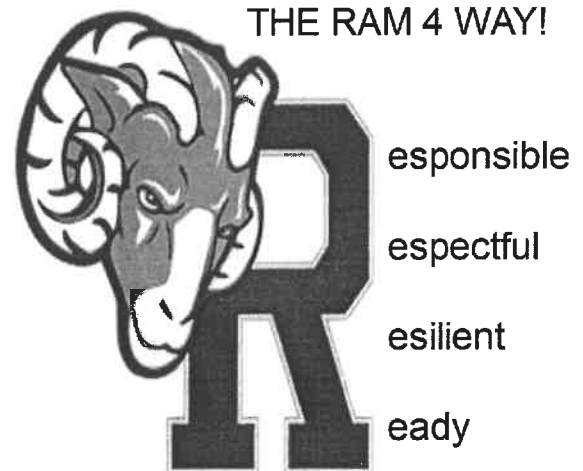

### Classroom Expectations:

- Be Punctual
- Be Prepared
- Be Respectful
- Be Actively Engaged
- Communicate Appropriately

### CONSEQUENCES

- 1.) Verbal Warning
- 2.) Student Conference
- 3.) Parent Contact
- 4.) Parent/Guidance Conference Request
- 5.) Administrative Referral

\*Student Code of Conduct Handbook will outline the other specific items/details that you will need to be aware of and adhere to. Please remember employability (which is 20% of your grade) points will be deducted for consequences after the verbal warning. Points will also be deducted if tardy to class, not prepared for class, off task, uncooperative behavior, sleeping, no homework, using electronic device during class in a non-academic manner, unexcused absence.

## **SCHOOL SUPPLIES \*see class website for examples/pictures!**

1 Duo Tang Folder with Pockets, paper (lined & graph), Spiral Notebook/Composition Book, pencils, highlighters/Colored Pencils, compass & straightedge.

\*Optional: Scientific Calculator – TI 30XA if you'd like, a class set is available for each student to use during class. Glue sticks, scissors, water bottle (to refill-we have refill stations), Kleenex, small hand sanitizer.

## **RESOURCES**

The following resources may be used supplementing the curriculum, but are not limited to: Florida Reveal Geometry and Aleks - McGraw Hill, Khan Academy, Edulastic, Gizmos (Explore Learning), Quizizz, Quizlet, Geogebra, Math Open Ref, TEAMS, One Note, Thrillshare/Rooms, DESMOS, Schoology, Class Website: [rhsynwa.com](http://rhsynwa.com)

## **HOMEWORK**

Homework is assigned to develop and reinforce the curriculum. Students are expected to have the completed homework at the beginning of their class period by the required due date. LATE Homework will be NOT be accepted, unless due to an EXCUSED absence or excruciating circumstance that parents express. Students will be given the same amount of time to make up homework and other class assignments based on the amount of days they were absent. Tests and quizzes will need to be made up as soon as possible. Again, it is the student's responsibility to find out what work was missed and make it up within the appropriate time. Test and quizzes need to be made up before or after school, or during lunch. Assessments will not be able to be made up during their geometry class period.

You will be able to utilize the following resources this year to keep up with daily lessons: class folders containing materials/lessons in the crate organized by date, homework board, TEAMS, OneNote, Thrillshare/Rooms, FOCUS (gradebook), class website [www.rhsynwa.com](http://www.rhsynwa.com), and/or a classmate to determine the work you missed. You are always more than welcome to come see me before or after school as well!

It is most beneficial to your child that we work together and keep in close contact throughout the school year with regards to your child's progress. It would be greatly appreciated if parents/guardians would discuss the policy and procedures with your child and reinforce them regularly. You are encouraged to keep close communication with the teachers, as this is a key to your child's educational success.

If you have any questions or concerns please contact me by calling Riverview High School at 941-923-1484 extension 64320 during my planning time between 9:40-10:10 or before/after school as available, thrillshare/room app messaging, contact through the class website [www.rhsynwa.com](http://www.rhsynwa.com), and/or contact me by e-mail at [angela.stephanides@sarasotacountyschools.net](mailto:angela.stephanides@sarasotacountyschools.net)

Thank you so much for your continual involvement & commitment in your child's education.

I hope these guidelines will help you have a successful and unforgettable year. I am honored to have your child as my student this year. I am looking forward to an excellent school year!

Sincerely,

Ms. Angela Stephanides
