DRESS CODE

Riverview High School students have choice when it comes to expressing oneself through their dress and appearance. To best prepare students for success beyond high school, it is a student's responsibility to follow the expectations for appropriate clothing and appearance while on school grounds during regular school hours.

Administrators, teachers, and students worked together to establish a dress code that is both reasonable and appropriate for the school setting. We appreciate you supporting our mission to provide a learning environment that empowers students to be respectful and responsible citizens.
